## INSURANCE GROUP

Dear Readers,

It's hard to believe that another year has come and gone. It was a great year and we appreciate you for being a part of it. We have two new additions to Compass Insurance, first we would like to introduce to you Claire Olive Freeze. She is the youngest addition to Compass and sometimes joins us on Fridays. Keep an eye out for her! Our second member is Allison Barker. She is in charge of the marketing and targeting of your insurance needs... Speaking of insurance needs, make sure you use the coverage checklist below. With Summer comes new activities and we want to make sure you are covered for everything! Lastly, don't forget to look on the back for our Birthday present to **YOU!** Wishing you the best...
